Department Highlights

- ✓ Classes for a wide variety of abilities and interests are offered so students can successfully complete the required four years of mathematics. On all levels, our core classes follow the traditional Algebra 1, Geometry, Algebra 2 sequence.
- ✓ Our math teachers consistently offer help sessions before and after school to assist students.
- ✓ Our math teachers integrate technology to engage students and enhance student learning. Many of these technologies integrate seamlessly with Google Classroom. These programs include Desmos, Pear Deck, Edpuzzle, Kami, Quizizz, Jamboard, and IXL.
