

SCHOLARSHIPS

CJ actively supports outstanding students and their families who invest in Catholic education. Scholarships are awarded to exceptional students who demonstrate academic promise, leadership and service experiences, and commitment to their faith.

Incoming Freshmen: Class of 2023 Scholarships

These scholarships are provided to incoming ninth graders who demonstrate outstanding academic and service experiences; are viewed as emerging leaders in school communities and have the potential to make unique and lasting contributions to the CJ educational community. Scholarships are focused in four distinctive areas: language arts, ministry and service, performing arts and STEMM. These scholarships are renewable for all four years as a CJ student.

To qualify for this scholarship, current eighth grade students must schedule and take part in an Eagle Experience shadow day, and fully complete the *Admission Application* form by December 1. Please note that the application process includes submitting a *Records Release Permission* form to your current school in time for the school to return the form to Chaminade Julienne by the December 1 deadline.

Based on the scholarship application, applicants may be invited to come to CJ for a personal interview as a finalist for a class of 2023 scholarship. Recipients of these scholarships will be notified by January 31.

Students need to complete three steps by December 1 to qualify for scholarships:

1. Schedule an Eagle Experience Day to shadow an eagle ambassador; schedule online at cjeagles.org under the admissions tab, or (937) 461-3740 x210
2. Complete the application process by Dec. 1
3. Complete the scholarship application & essay found online at cjeagles.org under the admissions tab

Returning Students

There are many opportunities for sophomore through senior students to receive scholarships which have been created and funded by members of the Chaminade Julienne community to honor alumni, parents, and friends of the school. Students become eligible for many of these scholarships when their families complete the FACTS tuition assistance application; other scholarships require additional documentation.

State Scholarships

Chaminade Julienne participates in the following Ohio Department of Education scholarship programs:

- Ohio Educational Choice;
